

It's seven o'clock. It's time to get up. Mother Fox says to her three little children: "Get up! Get up! It's time to go to school." The children get up and do morning exercises. "Now look at the clock. What's the time?" "It's eight o'clock. It's time to go to school." Little foxes take their schoolbags, say "Goodbye" to their mother and go to school.
