

The frog lives in a lake. He's a big green frog. The frog's name is Flop. Flop has got two friends, two big white birds. Their names are Polly and Chat. It's seven o'clock in the morning. Flop is doing morning exercises. Now he is taking a shower. And now he is swimming in the lake. His friends Polly and Chat are doing morning exercises too and now they are washing their hands and faces. Then the three friends have breakfast. After breakfast they usually play games. In the afternoon the birds want to go to another lake. Flop wants to go to another lake, too.

So Polly takes one end of the stick. Chat takes the other end, the frog takes the stick in his mouth in the middle and off they go! They go to another lake.

Now, look! They are flying! They all like it! Two boys see the birds. Then one of the boys says, "Oh, look! What have the birds got?! Isn't it a clock?" "No, I am not! I am not a clock! I am a frog," says the frog and falls down.

Flop! Flop! Flop!
